## Church News, Outreach and Social Justice

### HOLY REDEEMER PANDEMIC CHANGES

Due to the latest CDC Pandemic Guidelines and those of the Archdiocese:

- No Masses will require Sign Ups/Lottery to attend – just come and celebrate the Eucharist! There are more pews open for seating at Mass.
- Anyone fully vaccinated will no longer be required to wear a mask.
- To maintain social distancing the side pews have been designated for anyone not vaccinated. Anyone not vaccinated please continue to wear a mask.
- If some family members are not vaccinated, all members can sit in the side pews.
- Once we no longer need to sanitize the pews, we will reinstate our 3:30pm Saturday time for the Sacrament of Reconciliation. Until then, please continue to contact Fr. Pat and Fr. Michael to schedule a time to meet with one of them.

Thanks again for your patience and your willingness to adapt as we make our way through this pandemic.

## Pastor's Message

Dear Friends:

As we near the end of the school year and celebrate the 8<sup>th</sup> grade graduating class of 2021, I found myself drawn to reflect on the ultimate purpose of a Catholic education in this modern era. Those of us who are products of a Catholic education would most likely agree that it was truly a transformative experience in our life's journey.

Fr. Basil Moreau, the founder of the Congregation of Holy Cross, started off as a seminary professor of Sacred Scripture. He once wrote a short work entitled *Christian Education* that addresses the purpose of Catholic Schools, discusses the essential qualities needed by teachers, and provides practical advice about how they should manage their classes and relationships with students.

In his first sentence, Fr. Moreau states, "Education is the art of helping young people to completeness. For the Christian, this means that education is helping a young person to be more like Christ, the model for all Christians." Fr. Moreau wanted his first school in France, Saint-Croix, to be an institution that excelled academically, but which was also spiritually formative in the Catholic faith, a sign of the true communion possible with God.

It is a vision that takes young people from their earliest days of grappling with ideas and making sense of the world around them, to preparing them through formation in faith and values for lifelong discipleship, in a supportive environment that nourishes their gifts and fuels their desire for God.

I want to salute our teachers at Holy Redeemer Catholic School because they understand intuitively that their mission is one of "helping young people to completeness." There is hardly a more noble task than this or a vocation more sacred than theirs. They have also worked doubly hard to engage their students these past 14 months of the pandemic.

I especially want to congratulate our 8<sup>th</sup> grade graduates for having reached this milestone in their lives. I hope they feel that Holy Redeemer Catholic School helped them to grapple with ideas and to begin to make sense of the world around them. Above all, I hope that they continue to be young people of faith who understand their call to lifelong discipleship and service of others with their God-given gifts.

May God continue to bless Holy Redeemer Catholic School as it continues to shape the lives of the young people entrusted to its care.

Yours in Christ,

Fr. Pat
